COCKTAIL

'kɒkteɪl/

noun

An alcoholic drink consisting of a spirit or spirits mixed with other ingredients, such as fruit juice or cream.

"a cocktail bar"

With the first recorded notation of a cocktail being in 1806, and its roots said to derive many years prior, this genre of drinks are no doubt some of the most infamous to date. Seeing a huge increase in popularity during the American prohibition era to disguise the taste, smell and look of illegal alcohol, traditional cocktails have surely evolved into some of the most magical mixes in the drinks industry. We at Bluu have hand selected, designed and created our very own extensive list of varied cocktails perfect for every palate, person or occasion.

SOMETHING OLD

A selection of some of our favourite age old cocktails that we believe no bar should be without. These classics will definitely stay timeless.

BOURBONS & WHISK(E)YS

bəːb(ə)n, ˈbʊʒə-/

noun

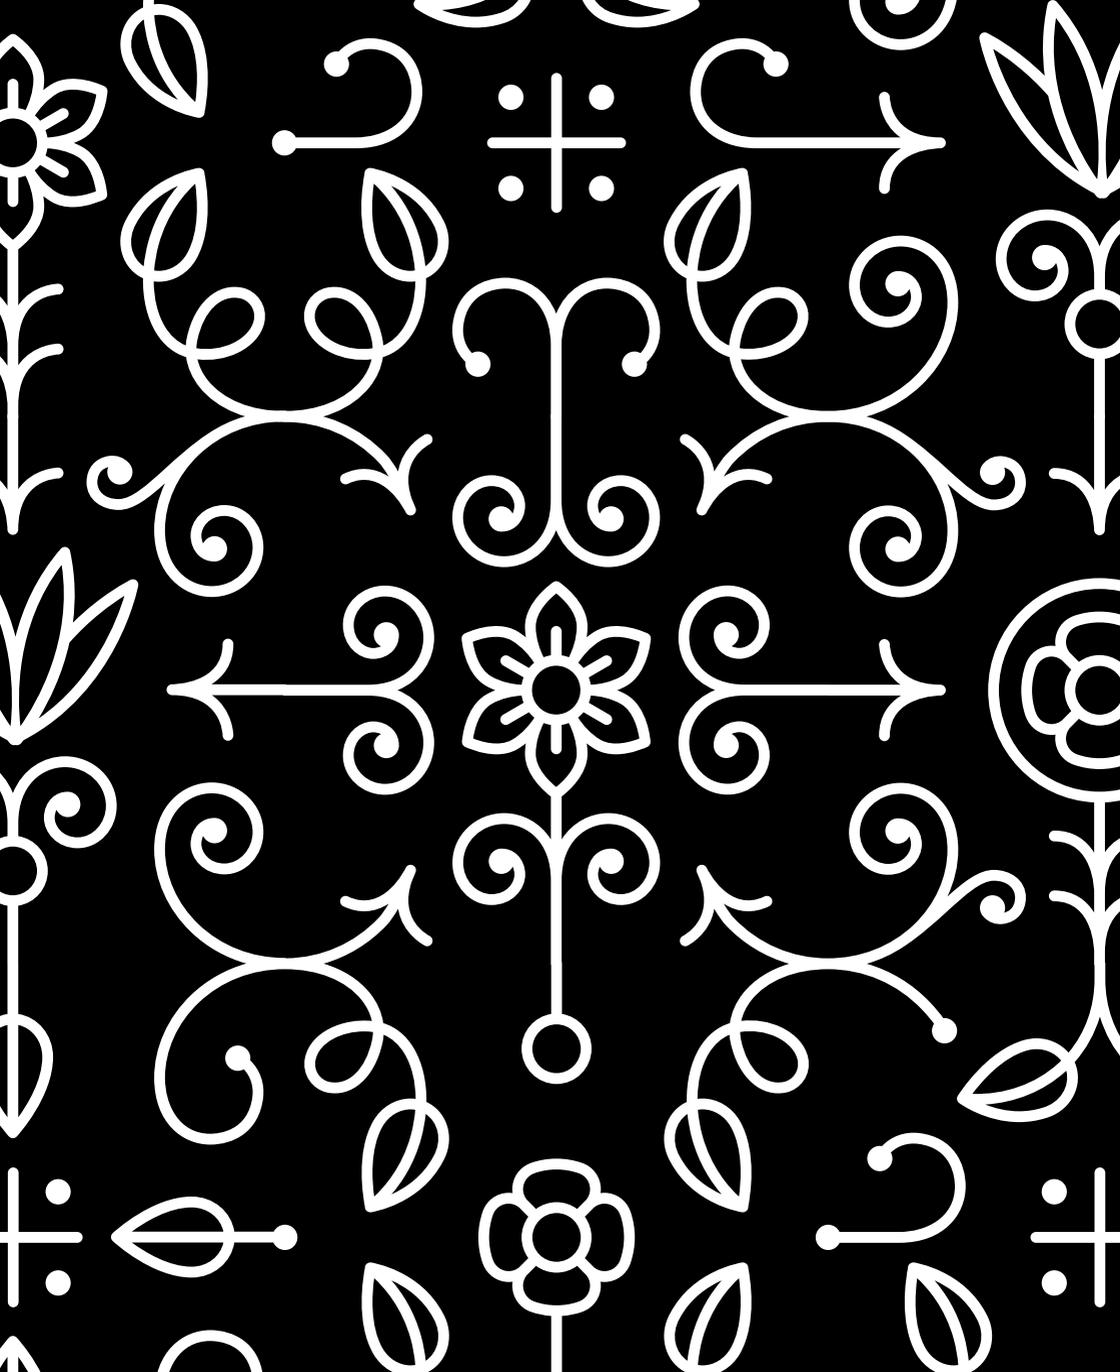

A kind of American whiskey distilled from maize and rye.

"he moved to the sideboard to pour himself a bourbon"

With a much speculated history, the story of Bourbon is about as boozy as you would get drinking it! Its name is said to derive from the French Bourbon Dynasty, however it is commonly disputed that 'Bourbon County' in Kentucky or 'Bourbon Street' in New Orleans inspired the popular American Whiskey genre. Typically aged for a period of up to 18 years in new oak charred barrels, this popular spirit oozes earthy flavours, perfect to complement our hand crafted smoked meat menu. We at Bluu have vowed to provide you with one of the most extensive and varied Bourbon lists in town, to help you complement and enhance your every meal. If it's good enough for the US Congress, then it's good enough for us! (Don't worry, we do also stock other spirits too! Ask your server for their recommendations).
