All our food is prepared in kitchens where nuts, gluten and other allergens could be present and our menu descriptors cannot include all ingredients. If you see a [v] sign next to any dishes it means they are suitable for vegetarians. Where you see a [v]* sign we cannot guarantee these dishes have been cooked in a dedicated fryer, please ask a member of the team for details. Where we state a weight, it's a raw weight and 1 ounce equals approximately 28 grams. Some of our poultry dishes may contain bones.
